

RAVALLI COUNTY REPUBLICAN CENTRAL COMMITTEE RESOLUTION Adopted July 5, 2022

WHEREAS The first cornerstone laid in the foundation of our Republic was **“TO SECURE THESE RIGHTS GOVERNMENTS ARE INSTITUTED AMONG MEN”**. In solidarity with the Republican Party of Texas, the Republican Party of Maricopa County, Arizona, and their resolutions to reject the flawed results of the 2020 Presidential Election thereby defending against this attack on the Constitutionally protected rights of the citizenry and the sanctity of our Republic:

AND WHEREAS We believe the 2020 Election violated Article 1 and 2 of the US Constitution, and as documented in Report Summary 19-DP-06, dated August 2020, titled “Information Systems Audit” produced by Montana Legislative Audit Division, documented multiple areas where Montana’s Election System falls short of “Best Practices” leaving our election system at risk, and nationally, States circumvented their state legislatures in conducting elections in multiple illegal ways. These illegal acts combined to drastically impact States operating within the law, rendering a Constitutionally questionable election.

AND WHEREAS The 2000 Mules Documentary, using publicly collected evidence of geo tracking and municipal video surveillance, irrefutably proves election fraud occurred around the country during the 2020 election in the form of ballot trafficking through drop boxes;

AND WHEREAS In October 2020 Joseph Robinette Biden Jr. proclaimed the democratic party had developed **“the most extensive and inclusive voter fraud organization in the history of American politics.”** This was not a gaffe or misstatement; this was an admission, as confirmed when he later stated: **“I don’t need you to get me elected”**. Testifying to the intent to defraud the citizenry was planned.

AND WHEREAS Former Governor Steve Bullock in Executive Order 8-06-2020 illegally suspended state law, MCA 13-19-104, which does not allow for all mail ballots. Montana Constitution Article IV, Section 3: Elections.

HERE NOW THEREFORE, BE IT RESOLVED, The Ravalli County Republican Central Committee of the State of Montana formally rejects the certified results of the 2020 Presidential election, and we hold that Joseph Robinette Biden Jr. was not legitimately elected by the electoral college of the United States. We strongly urge Americans to ensure election integrity and accountability steps are in place and enforced by correcting all fraud and weaknesses identified in all states in the 2020 Election.

AND BE IT FURTHER RESOLVED, We ask and encourage the members of the Montana State Legislature to do everything in their power to put the responsibility of election integrity and accountability back into the hands of We the People and that the members of the Montana Legislature also do everything in their power to complete any ongoing investigations of the 2020 Election, to designate and fund a **Standing Legislative Election Committee**, to put into Montana law **that any election machines have all software and hardware fully transparent to the public**, that the **Montana Secretary of State leave the National Association of Secretaries of State due to the clear conflict of interest** generated by election machine manufacturers donating to that organization, and that all monies illegally accepted from the Center for Tech and Civic Life (CTCL) aka **“Zuckerbucks”** are returned and those who accepted those monies are held accountable to Montana Code Annotated 13.1.302;

AND BE IT FINALLY RESOLVED, We encourage every other Republican State Party and County Party in these United States of America to issue a similar resolution to reject the 2020 election results.
